

 **KALBLOOM AFTER-SCHOOL** 
PROGRAM at P.S. 20, Clinton Hill School!

KalBloom's mission is to bring the enrichment and fun back into the lives of children at school through a rotating cultural arts program. Our children enjoy the vibrant energy & creativity of our staff, and they never get bored as we switch our class schedule throughout the year.

Committed to the mission of children's enjoyment – KalBloom After-school Program, it's so much more!

January 2012

Greetings Family!

Happy New Year, much prosperity and peace to you and your family!

KalBloom is having a fabulous year with great new friends, classes and learning opportunities every day. Each year we have been able to offer the families in the Fort Greene/Canton Hill community a place to bring their children after school that is convenient, exciting and affordable. We believe that all children deserve to be a part of a quality program that is fun and will help them to grow and succeed. Children learn best when they are free to express their creativity in a variety of activities where they feel comfortable and safe.

We pride ourselves on reliability, professionalism and a strong connection to family and community.
